

- ⦿ Have water shoes with hard grip for hike, we do rent water shoes for \$3 US.
- ⦿ Dressing rooms available, bring extra dry clothes and towels.
- ⦿ Others: mosquito repellent, sunblock, and a good waterproof camera with flash!
- ⦿ **NEW!** When you exit the tender, go to Terminal One. We are located just before you exit the terminal. Look for our booth and our guys in the yellow-gold polo shirts and the Cavetubing.bz sign and ask for Vitalino. He will be there for your special day in Belize.
- ⦿ Do not leave with anyone else unless directed to by Vitalino or Vitalino Jr.

Be aware that taxi drivers/guides at the Terminal are intercepting guests and offering tours at cheaper prices. But the people end up paying more (hidden costs). We lose customers this way because we ask no deposit. We are an excellent, established company. Be sure you find **Cavetubing.bz.**

We eagerly look forward to giving you the best tour of your cruise!
